ORIENTAL COINS AND MEDALS, GOLD.

* * The very rare Hindoo large and small (fine gold) pieces comprised in the first four following lots are much valued both in Europe and in India, in whatever state of preservation they be, as in the East they are looked upon as the most ancient and efficacious talismans, and are worshipped to this day; *cf. Institutes of Menu, the son of Brahma, &c.* We are still very inexperienced in the "soi disant" enlightened doctrines of the Indian Brahmins.
